

**About us:** B&S Site Development is more than just another construction company. We are a family of unique individuals committed to our culture, our values, and each other. We believe in making our own luck and creating our own opportunities. B&S Site Development accomplishes this by constantly innovating, finding ways to create new value and seizing new opportunities. We are a leading site development contractor that specializes in mission critical and large-scale commercial projects that focus on customer relationships and client satisfaction.

We have offices in Manassas, VA; Richmond, VA; Columbus, OH; Atlanta, GA and projects in 5 states (VA, PA, MD, OH, IN). We have been in business for over 20 years and have become the leading site contractor for the data center industry. We work on parcels ranging from 20-100+ acres.

**Job Title:** Fuel Truck Driver

We are seeking a responsible and safety-focused Fuel Truck Driver to transport and deliver fuel to projects in a timely and efficient manner. The ideal candidate will have a strong commitment to safety, regulatory compliance, and customer service. This role involves operating tanker trucks, loading and unloading fuel, and ensuring accurate documentation of deliveries.

**Fuel Truck Driver Responsibilities:**

- Safely operate a fuel tanker truck to transport gasoline, diesel, or other petroleum products.
- Load and unload fuel in accordance with safety procedures and environmental regulations.
- Conduct pre-trip and post-trip vehicle inspections and report maintenance issues.
- Maintain accurate delivery records, bills of lading, and fuel tickets.
- Ensure compliance with DOT, OSHA, and company safety policies.
- Follow all hazardous materials handling procedures.
- Provide professional and courteous service to customers.
- Maintain cleanliness and general upkeep of assigned vehicle.
- Respond appropriately to emergency situations, spills, or incidents.

**Qualifications:**

- Valid Commercial Driver's License (CDL) with appropriate endorsements (HazMat and Tanker required).
- Clean driving record.
- Minimum 2 years of commercial driving experience preferred.

## FUEL TRUCK DRIVER

- Experience transporting hazardous materials preferred.
- Ability to lift up to 50 lbs and work in various weather conditions.
- Strong attention to detail and safety awareness.
